VARIABLE SPEED

MORE STAGES MEAN MORE COMFORT AND EFFICIENCY.

Sometimes you just feel “too hot” or “too cold” between cycles of your system. Having 700 stages nearly eliminates temperature fluctuations. Your system glides along as if on cruise control, barely sipping electricity for much of the day. It also runs at lower speeds for longer periods of time offering:

- ▶ Advanced temperature control
- ▶ Lower humidity
- ▶ Reduced sound
- ▶ Enhanced filtration
- ▶ Lowest cost per minute

 Select models include innovative Trane Link technology, which uses Bluetooth to communicate between system components. Simply opt in through the Trane Home app to have your system’s data remotely monitored for even the slightest system changes—letting you relax and enjoy the exceptional comfort your variable speed system provides.

WHAT IS SEER2?

Seasonal Energy Efficiency Ratio (SEER2) is an air conditioner’s efficiency rating, similar to the miles per gallon for your car.

WHAT IS HSPF2?

Heating Seasonal Performance Factor (HSPF2) measures heat pump efficiency during the heating season. The higher the number, the more efficient the unit.

SEET® TESTED

Every Trane system is put through some of the most extreme conditions found in nature in our SEET [Systems Extreme Environmental Test] lab. Put through five years of severe wear and tear in just a few months, our products can stand up to the harshest environments imaginable.

	AMERICA’S MOST TRUSTED® HVAC BRAND 8 CONSECUTIVE YEARS¹
	MOST RELIABLE HEATING AND COOLING EQUIPMENT BRAND²

¹Trane received the highest numerical score in the proprietary Lifestory Research America’s Most Trusted® HVAC Brand study for years 2015, 2016, 2017, 2018, 2019, 2020, 2021 & 2022. Study results are based on experiences and perceptions of people surveyed. Your experiences may vary. Visit www.lifestoryresearch.com

A CLOSER LOOK

WeatherGuard™ III Top
Is not only attractive, the durable polycarbonate material provides lasting protection.
Comes with XV20, XL18 & XL16, and is an optional accessory on select models.

Exclusive Refrigerant Cooled Inverter
Keeps electronics at a consistent temperature leading to improved performance and reliability.

Climatuff® Variable Speed Compressor
The heart of Trane TruComfort™ technology that automatically adjusts while maintaining constant and consistent comfort.

Compressor Sound Insulators
Reduce operating sound for a quieter home environment.

Full-Sided Galvanized Steel Louvered Panels
Protect internal components while preserving airflow efficiency.

Powder-Paint Finish
Virtually indestructible for maximum protection against corrosion and rust, for years of reliable protection.

Integrated Fan System
A unique blade-down design that improves airflow, enhances performance and reduces sound levels.

Exclusive All-Aluminum Spine Fin™ Woven Coil
Enhances airflow and heat transfer while resisting corrosion and leaks. Proven to be far more reliable than traditional copper and aluminum coils.

Trane Link Communicating Control Board
Powers the compressor and controls communication between components to optimize your comfort and efficiency.

Four Wire Connection
Optional 2 wire connection available.

DuraTuff™ Rustproof Basepan won't crack, corrode, rust or warp.

WeatherGuard™ Zinc-Coated Fasteners for corrosion resistance and longer life because even minor details are what Trane reliability is all about.

**A Trane UX360 Smart Thermostat and system controller is required for all XV20i or XV18 air conditioners.*

The XV20i shown is for illustration purposes only. Please note that features and components may vary by model. As part of our continuous product improvement, Trane reserves the right to change specifications and design without notice.

¹ Automatic refrigerant charging allows technicians to focus on other work while the system charges itself

* XV20i/XV18 vary speed in 1/10 of 1% increments.

** Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at Trane.com or by phone at 855-260-2975, otherwise Trane's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on Trane.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply.

TRANE DEALERS ARE AS HARD TO STOP AS A TRANE ITSELF.

Independent Trane dealers take great pride in creating your perfect indoor environment. They are some of the most highly trained professionals in the business—with an extensive understanding of the movement and conditioning of air and the expertise to recommend, install and maintain the right system for your home.

WE ARE COMMITTED TO USING ENVIRONMENTALLY FRIENDLY PRINTING PRACTICES.

COMFORT. CONTROL. EFFICIENCY.

Optimize the comfort and efficiency of your home with the Trane Home smart comfort system.

The Trane Home mobile app gives you remote access to your HVAC system through your connected Trane smart thermostat. Adjust your temperature, set your schedule, and view your HVAC usage from anywhere.

Trane Home connects to your Trane HVAC system to provide you with remote control and diagnostics. To view additional integrations and subscriptions, visit our Knowledge Base at Trane.com/residential/home-subscription/

WHY IS INDOOR AIR QUALITY IMPORTANT?

We spend 90% of our time indoors, and 70% of that is in our home² where the air can be up to 5X poorer quality than the air outside³. To help improve your indoor air, Trane offers a complete portfolio of air filtration equipment for whole home solutions for new and existing units.

TRANE CLEANEFFECTS® AIR CLEANER

Utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles⁴ that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus⁵. This level of filtration makes it up to 100X more effective than a standard 1" filter⁶. Plus, it's the ONLY whole-home electronic air cleaner that is certified **asthma & allergy friendly**⁷ by the Asthma & Allergy Foundation of America.

Trane CleanEffects® is verified zero ozone producing so you can breathe easier knowing your air is free from harmful byproducts.⁷

ENERGY RECOVERY VENTILATORS (ERV)

Provide an energy-efficient way to exchange air inside your home with fresh air from outside, removing lingering odors like cooking smells while improving overall air quality.

HUMIDIFIERS AND DEHUMIDIFIERS

Deliver the right amount of moisture to the air throughout your home, adjusting from summer to winter.

Contact your Dealer or visit Trane.com/Residential to learn more.

²The National Human Activity Pattern Survey (2001) | ³U.S. Environmental Protection Agency. EPA/600/6-87/002a. (1987)

⁴Based on 3rd party testing of particle removal efficiency down to 0.3 microns (2005)

⁵As reported by airmid healthgroup in ASCR092142v2 (2015) | ⁶Assuming <1% removal rate of 0.3-10 micron particles

⁷Verified Zero Ozone per UL 2998, Intertek certificate #: ZOZ-90113-2022c
